

# CYLINDERS

*surface mounted*

*pendant mounted*

*wall mounted*

**OCEAN STATE  
LIGHTING**  
INCORPORATED

*Available in the following Dimensions and Lamp Options*

**C Y L I N D R I C A L  
D o w n l i g h t s**

Used in the traditional sense, these lighting options brighten up the room and showcase everything below them in a glow that you can customize. Whether you need PAR lamps, Metal Halide or Compact Fluorescent, we've got them covered in many wattages.

**F L E X I B I L I T Y**

With Surface, pendant and wall mounting available, our cylinders provide flexibility to meet many design challenges. Seamless aluminum housings with multiple reflector options give a wide range of optical choices.

**I N S T A L L A T I O N**

With a unique tooled design, OSL cylinders are easy to hang and easy to maintain. Our seamless, powder coated cylinders can be installed and serviced with a Phillips screw driver and 3 knurled screws. Fixtures can be installed and energized with reflectors and housings added later when rough-in is complete.

**SURFACE HID**
