

SERIES S-RND

Series S-RND features a "floating" white opal acrylic dish beneath a formed heavy gauge steel chassis. The RND fixture can be mounted to ceiling or wall, using centered key-hole slots in base. An optional polycarbonate (Lexan) drop-dish is available for use in high-impact locations. The standard base is finished in reflective (M.R.F. 87%) baked white enamel. Black is available but must be specified. Ballasts are ETL/CBM Class "P", High Power Factor, 120 Volt. Fixtures are UL Listed and are shipped wired and fully tested.
